## The little creation that started it all.

TAGGIES was created when two Moms noticed their babies loved to rub the one tag on their blanket. They were crafters and created the original TAGGIES blanket with lots of sewn in looped ribbons. They took them to a few local independent specialty retail stores and it became a reality. Within a couple of years, retailers across the country were stocking the original TAGGIES in a variety of prints. Mary Meyer has brought back the original creation in updated fabrics and patterns.

### Why we love:

- It is the ORIGINAL!
- 2 NEW designs, 12 designs in all!
- Jersey knit printed front and velour solid contrasting color back.
- FRESH Mary Meyer exclusive prints and softer fabric.
- FREE countertop display option makes a statement.
- J hook for easy display.
