Meet our Artists!

I would like you to meet our artists who have helped us in developing our exclusive products. Without them, it would not be possible!

Kim Sharp-Anderson & Abigail Anderson

Kimberly Sharp Design House

Kim Sharp-Anderson and Abigail Anderson are the dynamic mother-daughter duo behind the brand Kimberly Sharp Design House, a creative design studio specializing in the home décor and accents space. Known for their eye-catching designs and meticulous attention to detail, this team brings personality and charm into every project they do.

When they are not in their work studio catching up on projects that are way past due, you can find them at the lake on the boat with family, somewhere in a corner with a blanket and well-worn Kindle, or spending hours and hours at Anthropologie buying clothes they will never wear because when you work from home you only wear sweats!

They believe that the secrets to a happy life are:

· Flowers grow better when you sing to them
· Your day doesn't begin until you make your bed
· God is real
· Coke tastes better with extra ice
· You always need your mom, no matter your age
· Ted Lasso has life all figured out
· Afternoon naps cure all
· When you really stop and think about it, Family is EVERYTHING!

Annie LaPoint: Annie LaPoint loved to draw and paint at an early age and knew as a young girl she would grow up to be an artist. Annie has been known for many years for her popular watercolor paintings of mossy garden pots filled with ivy topiaries and blooms of all kinds. Annie has been licensed by Penny Lane Publishing for over 27 years, and her fresh new artwork and designs keep up with today's trends in the world of art and licensing. You will find these creations on all kinds of fun products for the home and garden. "More than ever, I love each moment I spend painting in my studio. I hope that my artwork brings as much joy to others, as I receive in the time I spend painting it." If you look carefully, you will find a scripture reference from the Bible tucked away in every one of Annie's paintings. She says, "It's a way I can give each piece of art back to God. He's the One who gave me this talent in the first place, and He is definitely the Greatest Artist of all."

Jennifer Smelter: As an engineer turned artist, Jennifer creates colorful and seasonal designs inspired by what she discovers on her travels. Since 2013 her company Tandem for Two has been selling retail, wholesale, and licensing her artwork to celebrate where we live and where life takes us.

When not creating or exploring, she coaches others how to launch and grow their small business. When it's time to relax, you can find her cruising around her Lake Michigan beach town on her tandem bike or drawing from the front porch of her Craftsman bungalow with her dachshund Max and a coffee or cocktail in hand.

Heidi Kuntz: Heidi Kuntz is a Designer & Illustrator based in Pennsylvania. She graduated with a bachelor's degree in art & design and a minor in Communications & Journalism from Shippensburg University. Since then, Heidi has been designing for a company in the 'party goods' industry - creating for a variety of different surfaces. She specializes in both vector & hand-drawn art that helps to make common items a bit more beautiful. Her favorite designs include typography, florals or cutesy graphic characters. Heidi aspires to keep ahead of the ever-changing trends & themes within the market, which keeps her work looking fresh, modern & something that people will want to enjoy in their homes & their everyday lives. When Heidi isn't designing, she enjoys spending time in her home with her husband and two little boys.
