Welcome to Lulujo

Lulujo HQ & flagship store
Fredericton, NB, Canada

It all began with a mother and baby

When our founder lovingly crafted a wrap for her daughter. Friends requested her wraps for their babies and news started to spread. Local boutiques began to carry them and then the assortment grew to swaddles, sleep sacks, quilts and everything cozy and comforting Lulujo is known for today.

Over the last decade, we have learned that all parents want comforting, safe, quality items to help provide the best care for their child. Our dedicated and passionate team strives to deliver thoughtful, comforting products of the highest standards that are part of a parent's joyful experience with their baby and to help them create memories. Our products are made with the same level of care and commitment that Dawn used to sew her daughter's wrap all those years ago using premium textiles and on-trend designs that evoke nostalgia and meets the needs of today's families.

Our HQ and flagship store

is nestled in the heart of our downtown where we work, live, and play. It is here where we design products, do photoshoots, provide customer service, and also the home of our beautiful storefront where moms and gifters can come to experience the world of Lulujo.
